

Present Patrol

The Waynesboro Police Department, in partnership with the Waynesboro Police Foundation Inc., and Waynesboro City Public Schools, welcomes the opportunity to work with families in our community, especially those with underprivileged children who may not have the same opportunities as other children. **Present Patrol** is one of the ways we are working to strengthen our relationship with our community.

With the holiday season rapidly approaching, we are preparing for our first **Present Patrol** event on **December 19th, 2022**. The **Present Patrol** program will allow children to interact with police officers in a different atmosphere than typical day-to-day interactions to promote positive relationships. The children involved in this program have faced life challenges such as a parent losing a job, homelessness, military deployment, economic shortcomings, and other hardships.

Present Patrol is funded through generous donations from our community, private sponsors, and local businesses. Each child is provided a designated amount of money to purchase gifts for themselves and family members, allowing for a more enjoyable holiday. Police officers from our department and deputies from the Waynesboro Sheriff's Office will be paired up with each child to help with shopping and gift wrapping, and they will then share a meal with their assigned child and their family.

Present Patrol was created to help make the holidays brighter for disadvantaged families, and we look forward to bringing that to the community of Waynesboro. We cannot do it without your support!
